Dear Mrs. Stephens,

Thank you for taking the time to write and for your kind thoughts. I've little time because we are finishing up a sequel, WHITE ASH II: WHO DID IT! This will show how the whitewashing was done and by whom.

I cannot answer your question about the Kennedy's. I hestitate to guess because to do so may be quite unfair.

There is nothing to indicate that any of the Kennedy's has read either the Report or any of the critical books. That they may have desired to avoid reliving their tragedy is, I think, understandable.

Sincerely,

Harold Weisberg
